**Dear academician ARTO (SAMUEL) MUSTAJOKI!**

Please accept my warmest congratulations on your election as a full member (academician) of the International Eurasian Academy of Sciences.

We believe that your scientific talent and outstanding organizing skills will contribute to the Mission of our Academy uniting scientists from different countries to solve urgent research problems and practical tasks through joint programs and projects, including those related with your academic and research efforts in the area of Russian language and culture for the sake of technological advances and social and economic development.

The diploma of the academician will be awarded ceremoniously.

Sincerely yours,

IEAS President  
academician
