

Jyrki Jauhiainen's activities untill 2005

Other academic and professional activities:

Course secretary on internordic postgraduate-course "Carbon Balance and Dynamics of Boreal Mires and Climate Change". This course was hosted by University of Joensuu at Mekrijärvi research station 6-11.9.1993. The course was funded by Academy of Finland and Nordic Council of Ecology.

Invited speaker in the 100th anniversary meeting of British Bryological Society 'Bryology for the Second Century', Glasgow, 5-7.8.1996.

Interview in the Helsingin Sanomat newspaper (15.1.2000) titled "Suosademetsät hupenevat pelottavalla vauhdilla", and (16.3.2002) titled "Tulenarka tutkimuskohde".

Interview in the Aamulehti newspaper (22.1.2002) titled "Sademetsät kasvavat suomalaisosaamisella."

Interview in Finnish national TV-broadcast (MTV3) 29.5.2002 about deforestation in Indonesia.

Interview in Indonesian national TV-broadcast (TVRI) 9.9.2002 about causes and consequences of the raging

forest fire in Indonesian Borneo.

Interview for the book Metsäkirjani, Metsänomistajan opas (Tuula Koskenniemi, WSOY, 2002, ISBN 951-0-26955-7) about peatland forestry in the tropics.

Invited speaker in Strategies for implementing sustainable management of peatland in Borneo (STRAPEAT) partners presentation and discussion with officials from the European Commission. 7.-9.3. 2003. Title of presentation: "Role of tropical peatlands in carbon gas emissions."

Consultation with Ambassador of the Republic of Indonesia and the Director of International Cooperation and

Investment, Ministry of Forestry of Indonesia. Embassy of Indonesia in Finland, 29.9.2004.

Interview in radio YLE Suomi about Indonesian peat swamp forests, ecosystem degradation and rehabilitation.

Radio YLE Suomi science program on 26.12.2004.

Interview in scientific journal Nature about degraded tropical peat ecohydrological rehabilitation, "Borneo is burning", by P. Aldhous. Nature 432: 144-146. Published 11.11.2004.

Participation in international congresses and symposia with paper/or poster:

'Methane Exchange Between Ecosystems and the Atmosphere', Internordic seminar, Grisslehamn (Sweden), 11-14.11.1990.

'First International Symposium of *Sphagnum*' and 'I.A.B. biennial meeting: Experimental Bryology', International symposia, Exeter, UK, 12-24.7.1991.

'Global Climatic Change, Carbon Balance and Peatlands', International symposium, Nottingham, UK, 23-25.4.1992.

'Carbon Cycling in Boreal Peatlands and Climate Change', International workshop, Hyytiälä, Finland, 29.9.-1.10.1992.

'Northern Peatlands in Global Climatic Change', International workshop, Hyytiälä, Finland, 8-12.10.1995.

'Bryology for the Second Century', Glasgow, UK, 5-7.8.1996.

'Natural and Agricultural Ecosystems in Peatlands and their Management', International symposium, Saint-Malo, France, 25-29.8.1997.

'International Conference & Workshop on Tropical Peatlands - Safe-Guarding a Global Natural Resource', Penang, Malaysia, 27-29.7.1999.

'Palangka Raya Tropical Peatland Workshop', Palangka Raya, Indonesia, 4-5.9.2000.

'International Asian Wetland Symposium 2001', Penang, Malaysia, 27-30.8.2001.

'Peatlands for People: Natural resource Functions and Sustainable Management', International symposium and workshop on tropical peatland, Jakarta, Indonesia, 20-24.8.2001.

'ACRS 2001' - 22nd Asian Conference on Remote Sensing, Singapore, 5-9.11.2001.

'Asian Wetland Symposium 2001: Bringing Partnership Into Good Wetland Practices', Penang, Malaysia, 27-30.3.2001.

'International Workshop on the Establishment of Taught Postgraduate and Short Courses Program in Natural Resources Management and Sustainable Development at Palangka Raya University', Palangka Raya, Indonesia, 26-28.3.2002.

'VIII Kasvitieteen päivät', Oulu, Finland, 16-17.5.2002.

'International Symposium on Land Management And Biodiversity In Southeast Asia', Bali, Indonesia, 17.-21.9.2002.

'Sixth Finnish Conference of Environmental Sciences', Joensuu, Finland, 8.-9.5.2003.

'International Workshop on assessment, conservation, restoration and sustainable use of tropical peatland and peat swamp forest resource', Pontianak, Indonesia, 14-16.4.2004.

'Environmental Management and Forestry in South-East Asia'. International workshop arranged by the Dept. Of Social and Cultural Anthropology and the "Law, Custom, People" project. Helsinki, University of Helsinki. Helsinki, Finland, 6.5.2004.

'Wise Use of Peatlands. 12th International Peat Congress', Tampere, Finland, 6-11.6.2004.

'The opportunities and challenges for wise use of peatland in Central Kalimantan', Palangka Raya, Indonesia, 26-27.11.2004.

'Restoration and Rehabilitaion of tropical peatland, Strengthening the knowledge base in wise use of tropical peatland', PBBT, Jakarta, Indonesia, 30.11.2004.
