12. Scientific and societal impact of research

- 95 peer reviewed scientific articles
- 3 singly authored monographs (Including *AIDS Counselling*, by Cambridge University Press 1995); one co-authored monograph
- 3 co-edited collections (Including *Conversation Analysis and Psychotherapy*, by Cambridge University Press 2008, and *Emotion in Interaction*, by Oxford University Press 2012; I was the lead editor in both).
- In January 28, 2017 Google Scholar reported 5071 citations to my work, yielding h-index 32. The yearly number of citations is growing. The most cited works were “Reliability and validity in research based on tapes and transcripts” (book chapter, 1997, 687 citations), “Analyzing talk and text” (book chapter, 2005; 626 citations), “AIDS counselling: institutional interaction and clinical practice” (book, 1995, 374 citations), CA and professional stocks of interactional knowledge” (journal article, 2003, 251 citations) and “Authority and accountability” (journal article, 1998, 248 citations).
- University of Helsinki has recently recognized me as one of the most cited scholars at UH (<https://www.helsinki.fi/en/research/highly-cited-researchers>)
- I consider my most important recent article “From narcissism to face work”, published in *American Journal of Sociology* in September 2015.
- Since winter 2013, I have run a consultation group for psychotherapists, applying the method of conversation analysis, for the analysis of their own work.

13. Positions of trust in society and other societal merits

- Member of the Finnish Psychoanalytic Research Consortium (interface between the Finnish Psychoanalytic Association and the universities), since 2006.
- Psychotherapeutic private practice since 2005.
