

Certificate of an internship at Yle

This is to certify that Ms. Céline Aludaat-Dujardin has done an internship at Yle A-studio, the flagship current affairs tv-program at Finnish Broadcasting company Yle in Helsinki Finland during the time of 2.3.-8.3.2017.

Ms. Aludaat-Dujardin followed and observed extensively the work at Yle, from the work of journalists to the editors, directors etc. She also followed the production of several live tv shows from the beginning to the end, thereby gaining a good basic knowledge of television production.

Her attendance was a great pleasure to all of us as she was genuinely interested and curious and her intellectual observations were always accurate and interesting. It was wonderful and easy cooperating with her and always a pleasure. Also her English and Finnish skills were impressive.
