

# CURRICULUM VITAE

1. **Family name:** Monge Monge
2. **First names:** Adrián Antonio
3. **Date of birth:** 31.03.1976
4. **Nationality:** Finland / Costa Rican (dual)
5. **Contact information:**
  - 5.1 **Address:** Siltavoudentie 8 A-1 // 00640 Helsinki
  - 5.2 **Telephone:** (+358) 409525110

6. **Education:**

Institution (Date from – Date to)	Degree(s) or Diploma(s) obtained:
Instituto Tecnológico de Costa Rica (1994 - 2000)	BSc Forest Engineer
University of Helsinki (2002 - 2007)	MSc Forest Economics
University of Helsinki (ongoing)	PhD Tropical Forest Ecology

7. **Language skills:** Indicate competence on a scale of 1 to 5 (1-excellent; 5-basic)

Language	Reading	Speaking	Writing
Spanish	1	1	1
English	2	2	2
German	3	3	4
Finnish	3	3	4

8. **Membership of professional bodies:** Metsänhoitajaliitto ry

9. **Other skills:** (e.g. Computer literacy, etc.)

- ✓ Proficient in the use of the Office Suit (Microsoft and open source) as well as statistical software (SPSS, Limdep), GIS software (Mapinfo, ESRI), quantitative data analysis (Atlas.ti, NVivo)
- ✓ Preparation and management of online courses, learning environments and distance learning.
- ✓ Problem solving capacity and facilitation skills
- ✓ Website and social media outreach

10. **Present position:** Research associate

11. **Years within the firm:** 7

12. **Key qualifications:**

- Coordination of international projects and academic activities.
- Preparation and submission of funding proposals at national and EU level
- Practical experience in tropical silviculture (forest management) and climate change issues including adaptation and mitigation policies and activities.
- Knowledge of socioeconomic theory and general socioeconomic problematic related to forest resource management.
- Practical experience in three tropical regions (Latin America, SE Asia and East Africa).
- Experience of dealing with different types of stakeholders, from small farmers to public officials and civil society organizations.

### 13. Professional experience

Date from-Date to	Location	Company	Position	Description
01.06.2016 – 31.07.2017	Viikki, Helsinki, Lao PDR	Viikki Tropical Resources Institute (VITRI)	Associate Researcher	Teacher and academic advisor for the <b>HEI-ICI PARFORM project</b> finance by EDUFI and MFA
01.01.2016 – 31.05.2017	Viikki, Helsinki, Mexico and Lao PDR	Viikki Tropical Resources Institute (VITRI)	Associate Researcher	The <b>EnvGov project (financed UH/HENVI)</b> , examines the multi-scale forms of environmental multi-scale governance in three watershed areas under a combination of socio-spatial diversity relevant for gaining insights into environmental governance structures and practices.
01.02.2016 – 01.12.2016	Viikki, Helsinki	Viikki Tropical Resources Institute (VITRI)	Associate Researcher	Project implemented with the <b>support of the UNCCD</b> including contribution for an special issue in the peer-reviewed journal <i>Silva Fennica</i> and the preparation of a public seminar
01.03.2013 – 01.03.2016	Viikki, Helsinki	Viikki Tropical Resources Institute (VITRI)	Associate Researcher & assistant coordinator	Teacher and academic advisor for the second phase of the <b>HEI-ICI FORMEB project</b> finance by CIMO and MFA
01.07.2012 – 31.12.2014	Viikki, Helsinki, Costa Rica, Mexico	Viikki Tropical Resources Institute (VITRI)	Main Researcher (3/4 time)	For the project: “ <b>Sustainable Management of Forests and Its Potential for the Maintenance and Enhancement of Carbon Stocks: Examples from Costa Rica and Mexico</b> ” finance by the Finnish Cultural Foundation
01.03.2013 – 31.12.2014	Viikki, Helsinki, Mozambique	Viikki Tropical Resources Institute (VITRI)	CC Adaptation advisor & coordinator	For the project: “ <b>Private Agricultural Investments and Land-use Change Impact on the Adaptive Capacity of Local Communities to CC in Mozambique</b> ” financed by the Finnish Academy
01.11.2012 – 31.01.2013	Viikki, Helsinki, Lao PDR, Thailand	Viikki Tropical Resources Institute (VITRI)	Course Coordinator	Coordination of the international field course: “ <b>Tropical forest ecology and silviculture</b> ” in cooperation with Kasetsart University in Thailand and National University of Laos.
01.11.2011 – 30.05.2012	Viikki, Helsinki & Cambodia	Viikki Tropical Resources Institute (VITRI)	Junior Expert	Join project Geres/VITRI/Arbonaut in cooperation with the Ministry of Industry, Mines and Energy and the Forest Administration in Cambodia, <b>to develop biomass inventory tools &amp; management plan for sustainable production of charcoal.</b>
15.01.2011 - 30.05.2011	Guapiles, Costa Rica	The School for Field Studies (SFS)	Associate Lecturer (Boston University)	Course: “ <b>Economic and Ethical Issues in Sustainable Development</b> ” including research and field work with students from several Universities in the US.
01.07.2010- 30.08.2010	Helsinki	Dept. Forest Sciences	Course assistant and theme advisor	Assist in the preparation of the Dept’s course at the Helsinki Summer School and main advisor for REDD issues (central topic of the course)
<b>Again in 2011, 2012, 2013, 2014, 2015, and 2017</b>				
01.05.2009 - 31.12.2009	Viikki, Helsinki	(VITRI), University of Helsinki	Project Coordinator	<b>Coordinator of the ICI-FORMEB project (VITRI-Faculty of Forestry/ National University of Laos) financed by the Finnish MFA.</b> The project includes international courses and other capacity building activities in Laos.

01.11.2006 - 31.01.2007	Thailand	(VITRI), University of Helsinki	MSc. Researcher	As part of a joint ICRAF/CIFOR/VITRI project financed by the Common Fund for Commodities (CFC). <b>Data collection for an assessment report on the economic effect of rubberwood production in small scale rubber producers' income generation.</b> Additional to the project report I wrote my master thesis based on this research and prepared additional materials to be used by the World Agroforestry Centre (ICRAF).
01.01.2000 - 31.06.2000	Costa Rica	Instituto Tecnológico de Costa Rica & COSEFORMA / GTZ	Evaluator	I joined the project "Cooperación en el Sector Forestal y Maderero" (COSEFORMA) during its final phase in order to re-measure the permanent plots established by the project. I also prepared a public document with the main results and recommendations to be used as a manual for secondary forest management as well as an internal report.
01.07.1999 - 31.12.1999	Costa Rica	Instituto Tecnológico de Costa Rica & Organización for tropical Studies (OTS)	Researcher	I remarked, measured and analysed 4 permanent plots that were first established in 1970. I also collaborated and participated/assisted in some of the international courses organised by the research station and the OTS.

#### 14. Other professional activities

Date from-Date to	Location	Description
23-37 July 2017	Cartagena, Colombia	Poster presentation at the <b>28th International Congress for Conservation Biology (ICCB 2017)</b>
January 2015 and 2017	Lao PDR and Thailand	Instructor at the international course: " <b>Intensive training course on Tropical Forests and Agroforests</b> " funded by the Dept. of Forest Sciences
19-23 May 2014	Vientiane, Lao PDR	Instructor at the international course: " <b>Intensive training course on E-learning and Course Planning</b> " funded by the MFA of Finland through the FORMEB project
04-06 March 2014	Santa Marta, Colombia	Finland's representative to the <b>ALCUENET workshop on Biodiversity and Climate Change</b>
02-03 April 2012	Bangkok, Thailand	VITRI/UH representative at the <b>ASEMUNDUS Networking Seminar organised by the ERASMUS MUNDUS</b> program and the European Commission
03-08 October 2011	Bonn, Germany	Scientific reporter at the <b>Tropentag 2011</b> Conference at Bonn University
18-23 October 2009	Argentina	Two poster presentations: <b>XIII World Forestry Congress</b>
04-08 August 2008	CIFOR, Bogor, Indonesia	Speaker at the final project meeting: "Improving the Productivity of Rubber Smallholdings through Rubber Agro-forestry Systems in Indonesia and Thailand" ICRAF / CFC
13-15 June 2007	Bali, Indonesia	Poster presentation: "International Rubber Conference & Exhibition 2007" ICRAF / CFC
21-30 May 2007	CIFOR, Bogor and Sumatra Indonesia	Participant in the Workshop: Improving the Productivity of Rubber Smallholdings through Rubber Agroforestry Systems in Indonesia and Thailand" ICRAF / CFC
25-29 Sept 2000	Costa Rica	Instructor of the international course: "Development and Management of Secondary Forests in Wet

		Zones" [" <i>Desarrollo y Manejo de los Bosques Secundarios en Zonas Húmedas</i> "]. COSEFORMA / ITCR
21-25 Feb 2000	Costa Rica	Speaker at the seminar: "Progresses in the Secondary Forests Management in Costa Rica" COSEFORMA / ITCR
25-26 Nov 1999	Costa Rica	Participant in the Workshop: "Definition of Priorities for Research and Extension in the lower part of the Tempisque River Valley". Organization for Tropical Studies (OTS).
09 April 1999	Costa Rica	Participant in the Workshop: "Forests' Dynamic in Costa Rica and its implication for Forest Management". ITCR
