

Education

- Ph.D., University of Helsinki, Faculty of Pharmacy, Biopharmaceutics, 19.9.2014, Helsinki (contact for verification: jouni.hirvonen@helsinki.fi)
- M.Sc., University of Turku, Health Biosciences, Drug development, 27.3.2008
- Matriculation Examination, Tapiolan lukio, 31.5.2003

Language skills

- Mother tongue: Finnish
- Fluent English, good Swedish, adequate German

Current work position

- Postdoctoral researcher, Centre for Drug Research, Division of Pharmaceutical Biosciences, University of Helsinki, Prof. Arto Urtti's research group, 1.9.2014–31.12.2016. Working as a visiting researcher in Wim Hennink's research group (Utrecht University, Department of Pharmaceutical Sciences, the Netherlands) 1.11.2015–31.12.2016.

Previous work experience

- PhD student, Centre for Drug Research, Division of Pharmaceutical Biosciences, University of Helsinki, 1.4.2008–19.9.2014
- Research assistant, University of Turku, Department of Pharmacology, Drug Development and Therapeutics, 1.5.–31.7. 2006 and 1.5.31.7. 2007 (Mikko Uusi-Oukari's research group: Effect of extrasynaptic GABAA receptors on alcohol sensitivity)
- Research assistant, University of Turku, Department of Cell Biology and Anatomy, 13.6 –12.8. 2005 (Pirkko Härkönen's research group: Growth mechanisms of hormonal cancer)
- Research assistant, University of Turku, Department of Pharmacology, Drug Development and Therapeutics, 1.6.–31.7. 2004 (Jaana Kallio's research group: Effect of polymorphism of neuropeptide Y in endothelial cells)

Research funding

- Academy of Finland, 1.9.2015-31.12.2016, 120 000€
- Foundation's Post Doc Pool, 1.9.2015–31.8.2017, 90 000€
- Finnish Pharmaceutical Society, 1.9.2014–31.12.2014, 8000€
- Eemil Aaltonen Foundation, 1.9.2012–31.8.2014, 48000€
- Research Foundation of the University of Helsinki, 1.1.2010–31.12.2010, 18300€

Merits in teaching

- Supervision of laboratory courses (Biopharmaceutics and pharmacokinetics, Advanced biopharmaceutics)
- Supervision of bachelor's and master's theses

Awards

- Honorary prize, FinPharma Doctoral program - 6th Annual Meeting 2012
- Master's thesis award, Alcohol Research Foundation, 2008
