Curriculum vitae

As a proficient legal investigator with a focus on information and communications legislation, I offer a strong scholarly foundation and an extensive comprehension of the ever-changing interface between technology, law, and policy. My areas of expertise include digital rights, cybersecurity, telecommunications laws, and data privacy. My goal is to support the creation of just and progressive legal frameworks that tackle the intricacies of the digital era utilizing thorough investigation, in-depth analysis, and a resolute dedication to moral behavior.
